Further information on the invitation

TOTAL NUMBER OF SHARES AND VOTING RIGHTS

As of the time of this Annual General Meeting being convened, the share capital of Heidelberger Druckmaschinen Aktiengesellschaft amounts to € 713,562,818.56 and is divided into 278,735,476 shares. In accordance with Article 19 (1) of the Articles of Association, each share grants one vote at the Annual General Meeting. On the day of this Annual General Meeting being convened, the Company holds 142,919 treasury shares, from which the Company has no rights in accordance with section 71b AktG. The total number of voting rights at the time of the Annual General Meeting being convened is therefore 278,592,557.

REQUIREMENTS FOR PARTICIPATION IN THE ANNUAL GENERAL MEETING AND EXERCISING VOTING RIGHTS

Those shareholders who have registered at the following address and presented proof of their shareholdings at least six days before the Annual General Meeting, therefore by midnight on July 18, 2018, are entitled to participate in the Annual General Meeting and exercise their voting rights:

Heidelberger Druckmaschinen Aktiengesellschaft
c/o Commerzbank AG
GS-MO 3.1.1 General Meetings
60261 Frankfurt/Main
Fax: +49 (0) 69 136 26351
e-mail: hv-eintrittskarten@commerzbank.com

Shareholdings must be proven by a written certification from the custodian bank in German or English. The proof must refer to the beginning of the 21st day before the Annual General Meeting – July 4, 2018, midnight (the record date). As with the registration, the evidence of shareholdings in the company must also be received by the Company at the above address by midnight on July 18, 2018.

SIGNIFICANCE OF THE RECORD DATE

The record date is the crucial date for the scope and exercise of the right to participate and vote in the Annual General Meeting. In relation to the Company, only those shareholders who have proven their shareholding by the record date will be recognized as such for participation in the Annual General Meeting and the exercising of voting rights.

Persons who do not yet own shares as of the record date and acquire Company shares only after that date are shareholders but are not entitled to participate in the Annual General Meeting or exercise their voting rights to the extent that they have not been authorized to act as a proxy or authorized to exercise rights. Accordingly, the acquisition of additional shares by shareholders after the record date has no influence on the extent of their voting rights. The key factor is the shareholder's holdings at the record date. Conversely, shareholders who have registered and provided proof in the proper manner by the record date are entitled to participate in the Annual General Meeting and exercise their voting rights to the same extent even if they have sold all or some of the shares after the record date. Therefore the record date has no effect on the salability of the shares. The record date is also irrelevant for possible dividend rights.

PROCEDURE FOR VOTING BY PROXY

Authorization of a third party

Shareholders can exercise their voting rights through a proxy, e.g. a bank, a shareholder association or a person of their choice. This also requires timely registration and timely proof of shareholdings by the record date in line with the above provisions.

Written form is required for granting power of attorney, retracting it and demonstrating authorization to the Company.

Shareholders will receive a power of attorney form after proper registration. Use of the power of attorney form is not mandatory. There are also other correct forms of authorization and demonstrating authorization.

Power of attorney can be granted and revoked in respect of the proxy, or this can be declared to the Company at the following address:

Heidelberger Druckmaschinen Aktiengesellschaft
HV-Büro (LD-CG)
Gutenbergring
69168 Wiesloch
Fax: +49 (0) 62 22 82-9967100
e-mail: hv2018@heidelberg.com

Proof of authorization to the Company can also be sent to the above address. Proof of power of attorney can also be presented at the registration counters at Congress Center Rosengarten, Rosengartenplatz 2, 68161 Mannheim, from 8:30 am on the day of the Annual General Meeting.

The Company also offers an Internet-based system for sending proof of authorization and revoking it at www.heidelberg.com/hauptversammlung. Shareholders can find details in the information given there.

There are usually special conditions for authorizing banks, shareholder associations or persons and institutions treated as such in accordance with section 135 (8) and (10) AktG in conjunction with section 125 (5) AktG. Shareholders should ask the party they wish to authorize about these conditions. We would therefore like to ask our shareholders who wish to authorize a bank, shareholder association, or person or institutions treated as such pursuant to section 135 AktG to coordinate with the proxy on the form of the power of attorney.

If a shareholder authorizes more than one person, the Company can reject one or more of them.

Even after granting power of attorney, the right to participate in the Annual General Meeting is not affected. Personal attendance at the Annual General Meeting invalidates any previously granted powers of attorney.

Authorizing a company-appointed voting representative

We offer our shareholders the opportunity to be represented at the Annual General Meeting by voting representatives who are appointed by the Company and who are bound by the shareholders' instructions. Authorization of a company-appointed voting representative also requires timely shareholder registration and timely proof of shareholdings by the shareholder in line with the above provisions.

The company-appointed voting representatives are required to exercise the voting rights of the shareholders according to the instructions they are given. Voting representatives cannot exercise voting rights if the power of attorney issued to that voting representative does not contain explicit instructions or if the instructions for the individual agenda items are not specific for each agenda item, counter-proposal and nomination made available before the Annual General Meeting. If an individual vote is held for Item 2 or Item 3 (discharge of the Management Board or Supervisory Board), any instruction for these items will apply to the individual votes. Issuing a power of attorney, issuing and changing instructions, revoking a power of attorney and demonstrating and revoking an authorization in respect of the Company require text form.

The form sent to shareholders together with the ticket following proper registration can be used for authorization. In addition, authorizations can also be issued by means of the above Internet-based system at www.heidelberg.com/hauptversammlung. Shareholders can find details on authorizing a company-appointed voting representative by means of the Internet-based system in the information given there.

Issuing a power of attorney and instructions, revoking a power of attorney and altering instructions to company-appointed voting representatives must be received by the Company at the address below by midnight on July 23, 2018 at the latest:

Heidelberger Druckmaschinen Aktiengesellschaft

HV-Büro (LD-CG)
Gutenbergring
69168 Wiesloch
Fax: +49 (0) 62 22 82- 9967100
e-mail: hv2018@heidelberg.com

Issuing a power of attorney and instructions to company-appointed voting representatives, revoking a power of attorney and altering instructions are possible until 6:00 pm on July 24, 2018 via the Internet-based system at www.heidelberg.com/hauptversammlung.

Issuing the power of attorney and instructions to company-appointed voting representatives, changing the instructions and revoking the power of attorney to the company-appointed voting representatives in written form can also take place at the registration counters from 8:30 am at Congress Center Rosengarten, Rosengartenplatz 2, 68161 Mannheim.

Please note that the company-appointed voting representatives will not accept requests to speak at the meeting, object to resolutions, pose questions for shareholders, or take requests from shareholders. They also cannot vote on any counter-proposals or nominations not brought up until the Annual General Meeting or on any other motions not announced prior to the Annual General Meeting, nor accept any instructions in this regard.

Even after granting power of attorney to the company-appointed voting representatives, the right to participate in the Annual General Meeting is not affected. Personal attendance at the Annual General Meeting invalidates any previously granted powers of attorney and instructions to exercise voting rights.

PROCEDURE FOR VOTING BY ABSENTEE BALLOT

Shareholders can submit their votes to the published proposed resolutions without participating in the Annual General Meeting by means of absentee vote as well. This also requires timely shareholder registration and timely proof of shareholdings by the shareholder by the record date in line with the above provisions. Absentee votes that cannot be matched with a proper registration are invalid.

Shareholders will receive an absentee ballot form with further instructions after proper registration. Use of absentee ballot form is not mandatory. There are also other correct forms of submitting absentee ballots. The Company provides an Internet-based system at www.heidelberg.com/hauptversammlung. Shareholders can find details in the information given there.

Shareholders are asked to send absentee ballots to be received by the Company by midnight on July 23, 2018 at the following address, fax number, or e-mail address:

Heidelberger Druckmaschinen Aktiengesellschaft
HV-Büro (LD-CG)
Gutenbergring
69168 Wiesloch
Fax: +49 (0) 62 22 82- 9967100
e-mail: hv2018@heidelberg.com

Absentee votes can also be revoked or changed in this way prior to this deadline.

Absentee voting is limited to resolution proposals (including any adjustments) from the Management Board and the Supervisory Board and to resolution proposals from shareholders published as an addition to the agenda in accordance with section 122 (2) AktG. If an individual vote is held for Item 2 or Item 3 (discharge of the Management Board or Supervisory Board), any vote by absentee ballot will apply to the individual votes.

Banks, shareholder associations or persons or institutions treated as such in accordance with section 135 AktG can also make use of absentee voting.

An absentee ballot does not preclude attending the Annual General Meeting in person. Personal attendance is considered a retraction of a previously submitted absentee ballot.

Shareholders whose combined shareholdings amount to one-twentieth of the share capital or a pro rata share of € 500,000 can request that items be added to the agenda and announced. Any statements by the management will also be published at the above Internet address.

Counter-motions and nominations submitted to the Company in advance in a timely manner will be addressed at the Annual General Meeting only if they are presented orally or submitted there. The right of any shareholder to make counter-proposals to the various agenda items or election nominations at the relevant agenda item at the Annual General Meeting without communicating this to the Company in advance remains unaffected.

The right of shareholders to receive information under section 131 (1) AktG

Upon request, each shareholder shall be provided with information at the Annual General Meeting by the Management Board regarding the Company's affairs, to the extent that such information is necessary for a proper evaluation of the relevant item on the agenda.
