This will be done for only those purposes stipulated in the German Stock Corporation Act, including communication with shareholders and the organization of the Annual General Meeting. Heidelberger Druckmaschinen Aktiengesellschaft processes data provided by shareholders when registering for the Annual General Meeting or sent to Heidelberger Druckmaschinen Aktiengesellschaft by their custodian banks for this purpose. If rights are exercised at the Annual General Meeting by a proxy, the personal data of the shareholder and the personal data of the representative given in the power of attorney form (first and last names, place of residence or address) will be processed.

The processing of personal data described serves the purpose of enabling the data subjects to register for the Annual General Meeting, to satisfy requirements under stock corporation law and to exercise shareholders' rights (voting, granting, revoking and proving powers of attorney and instructions, objections to resolutions of the Annual General Meeting). It is not possible for you to participate in the Annual General Meeting or exercise your voting rights and other associated rights without providing the data in question.

This comprises the following processing operations:

Heidelberger Druckmaschinen Aktiengesellschaft processes the necessary data that shareholders provide or that has been provided by their custodian bank in conjunction with a shareholder's registration for the virtual Annual General Meeting (in particular, first and last names, address, e-mail address and other contact details of the shareholder, number of shares, share class, access card number and data, and means of ownership).

In accordance with section 129 AktG, at the Annual General Meeting there will be a list of attendees with the following personal data: access card number, first and last names as well as place of residence of the shareholder appearing or represented and their representative, number of shares, share class, number of voting rights and means of ownership.

If a shareholder requests that items be placed on the agenda, Heidelberger Druckmaschinen Aktiengesellschaft will publish these items, disclosing the name of the shareholder, provided that they satisfy the conditions outlined in the provisions of German Stock Corporation Act. Provided that they satisfy the conditions outlined in the provisions of German stock corporation law, Heidelberger Druckmaschinen Aktiengesellschaft will also publish counter-motions and nominations submitted by shareholders, in doing so disclosing the name of the shareholder, on Heidelberger Druckmaschinen Aktiengesellschaft's website (sections 122 (2), section 126 (1) and section 127 AktG).

The legal basis for the data processing described above is formed by the provisions of the German Stock Corporation Act (in particular section 67e and sections 118 et seq. AktG) in conjunction with Article 6 (1) (c) GDPR. In each case, the processing of the above personal data is necessary to satisfy Heidelberger Druckmaschinen Aktiengesellschaft's legal obligations.

We also process personal data to satisfy legal obligations, including those arising from regulatory, tax and commercial law. The legal basis for this is also formed by Article 6 (1) (c) GDPR in conjunction with the respective statutory regulations.

In some instances, we also process your data to safeguard the legitimate interests of the Company or a third party in accordance with Article 6 (1) (f) GDPR. For example, this is the case if, in the event of capital increases, some shareholders, on account of their nationality or domicile, have to be excluded from being informed of subscription offers in order not to violate the legal provisions of the countries concerned. In addition, we use your personal data to safeguard our legitimate interests in making contact or producing internal statistics (e.g. for showing shareholder development, the number of transactions or for overviews of the largest shareholders).

If there were to be the intention to use your personal data for another purposes, we would inform you in advance in line with the statutory provisions.
