The Gallus Labelmaster offers an unbeatable value for money with the well-known Gallus quality.

Gallus Labelmaster

Investment security at its best.

Unique process flexibility guarantees investment security

Preparedness for every future demand. Process change induces cost savings of up to EUR 80'000 per year*.

Simplicity and operator friendliness

Operators love to work with this machine due to fast and simple handling. Innovative features perfectly assist operators in reaching high print quality (print adjustment).

Stable performance over the entire lifetime

Consistently high print quality and reliability supported by servo drive systems. Aluminium printing cylinders keep maintenance costs low.

Speed of job change

Ergonomic working conditions on a primary print level, a unique printing unit design and an accurate register control ensure fast job changes.
