

Your way to success.
**Business Consulting –
Potential analysis**

Process of a potential analysis

Take a look at all aspects of your company with our experts from HEIDELBERG Business Consulting using the potentialanalysis. Together with you, we will increase your potential in several steps. As part of a final workshop, we will present to you our findings and show you the main potential for your company. Afterwards we will discuss the further procedure to achieve your goals effectively and promptly.

Expected results:

- Identifying potential
- Evaluating potential
- Estimating savings
- Recommendations for increasing the potential

Potential in the printing sector from 100,000 to 500,000 € p.a.

The large number of successfully completed projects and references is convincing. Contact us and learn more about our methods. We are looking forward hearing from you.
