

Your way to success.
**Business Consulting –
Speed Workshop.**

Procedure of a speed workshop

As part of a speed workshop, our experts from HEIDELBERG Business Consulting will demonstrate how to increase your machine speed workshops.

Together with you, we will increase your net speed in several steps. The results will be presented to you in a final presentation. Regular review of the key figures and measures ensures sustainability.

Expected results:

- Assessment of the machine condition
- Detailed performance indicators
- Alignment of leadership (goals, understanding of roles)
- Qualification of employees
- Performance increase
- Regular review of sustainability

**Ø Increase in net speed by approx.
5 % – 20 %.**

The large number of successfully completed projects and references is convincing. Contact us and learn more about our methods. We are looking forward hearing from you.
