

Heidelberg Special Offer. Saphira Ink Duct Foils.

Saphira Ink Duct Foils

Consistent ink transfer from the ink fountain to the roller frame is just one of the outstanding features of Heidelberg ink duct foils.

Benefits

- Manufactured to the precise specifications
- Uniform ink transfer.
- Easy fitting thanks to dimensionally stable foil edge.
- The foil has a long service life and thus enables higher machine availability.

Available model:

- Speedmaster SM 102
- Speedmaster SX 102
- Speedmaster CS 92
- Speedmaster CD 102
- Speedmaster CX 102
- Speedmaster CX 104
