

Consumables

Saphira Plate Care Products

Saphira Plate Care Products are a complete suite of plate care products to meet all your needs.

All Saphira products are tested on press at our Demo Room Center and at selected customers prior to releasing to the market. This will help us ensure our products will work well even under the most demanding pressroom conditions. Saphira Consumables not only give excellent printed results but are also machine-friendly so that capital equipment retains its value.

Saphira CtP Plate Cleaner & Scratch Remover cleans, conditions and removes scratches in one application. Removes ink, oxidation spots, and gum streaks making the plate image area more ink receptive.

Benefits:

- Desensitizes scratches and removes background scum
- Short term Strong, effective cleaner for metal plates
- Short-term plate storage 1-7 days

Saphira Plate Cleaner & Preserver is a plate cleaner, desensitizer and gum preservative all in one product. Provides excellent lubrication for the plate to help with quick roll-ups and protection against blinding after storage.

Benefits:

- One step finishing, cleaning and preserving
- Desensitizes the non-image area of CtP plates
- Mid-term plate storage 7-30 days

Saphira Storage Gum is specifically developed for use with metal plates to protect and desensitize the non-image area, while ensuring that the image areas continue to remain ink receptive.

Benefits:

- Protects and desensitizes
- Prevents oxidation
- Long-term plate storage 3-6 months
